On Thursday, January 25th, at 07:40 PM, witness the harmonious fusion of Spain's Flamenco and India's Kathak in a dance exhibition at Cross Maidan. It is advised to arrive earlier to save your seat!

For families with kids aged 6 and above, join the workshop on Saturday, January 27th, at CSMVS Children's Museum (Amphitheatre) from 10:30 AM to 12:00 PM. Delve into the world of Barcelona's mosaics, exploring Miró's artworks, and let creativity soar as children craft their own masterpieces.

'The creativity of Dalí and Joan Miró resonate perfectly with the Kala Ghoda Art Festival,' shares Ms. Elisa Robles, Director of the Tourism Office of Spain. 'This year, commemorating the 40th anniversary of the artwork *Sol de Miró*, our logo symbolizing the warmth of our culture, adds a special touch to KGAF 2024.'

The collaboration between the Tourism Office of Spain and Kala Ghoda Association aims to bridge cultures and inspire creative souls to take flight, especially towards the enchanting land of Spain.
